

EX:8

Create storyboards to represent the user flow for a mobile app using Balsamiq

NAME:Muhamad Asif

Roll No:230701199

**AIM:**

The aim is to create storyboards representing the user flow for a mobile shopping app, such as Denix, using Balsamiq.

**PROCEDURE:**

**Tool Link:** <https://balsamiq.com/>

**Step 1: Define the User Flow**

**1. Identify Key Screens:**

- List the main screens for the Denix app: Login, Home, Product Details, Cart, Checkout, and Account.

**2. Map the User Journey:**

- Understand the typical user journey: logging in, browsing products, viewing product details, adding items to the cart, checking out, and managing the account.

**Step 2: Create Storyboards Using Balsamiq**

**1. Install Balsamiq:**

- Download and install Balsamiq from <https://balsamiq.com/>.

## 2. Create a New Project:

- Open Balsamiq and create a new project.

## 3. Add Wireframe Screens:

- Use the “+” button to add new wireframe screens for each key screen in the app.

## 4. Design Each Screen:

- Use Balsamiq’s components to design the UI for each screen.
- Include basic elements like buttons, text fields, and placeholders for images.

## 5. Organize the Flow:

- Arrange the screens in the order users will navigate through them.
- Connect the screens with arrows to represent user actions.

## Screens for Denix Shopping App

### 1. Login Screen:

- **Email Field:** Allows users to enter their email.
- **Password Field:** Allows users to enter their password.
- **Login Button:** Submits the login information.
- **Sign-Up Link:** For new users to create an account.

### 2. Home Screen:

- **Search Bar:** Allows users to search for products.
- **Categories:** Tabs for different product categories (e.g., Groceries, Pharmacy, Fashion, Watches).

- **Top Searches:** Displays popular search items with placeholders for images.
- **Deal of the Day:** Highlights a special deal with a placeholder for an image.

### 3. Product Details Screen:

- **Product Image Placeholder:** Displays the product image.
- **Product Description:** Placeholder for the product description.
- **Reviews:** Shows the rating (e.g., 454 reviews, 5 stars) and a placeholder for user reviews.

### 4. Cart Screen:

- **Items Added:** Lists items in the cart with placeholders for images, cost, and quantity controls.
- **Subtotal and Total Cost:** Displays the cost breakdown.
- **Checkout Button:** Allows users to proceed to checkout.
- **Gift Option:** Checkbox to send as a gift with easy returns.

### 5. Checkout Screen:

- **Delivery Address Form:** Users enter their shipping address.
- **Summary:** Shows the subtotal, shipping cost, and total (e.g., \$120 subtotal, \$20 shipping, \$140 total).
- **Payment Options:** Options like PhonePe, UPI, cash on delivery, etc.
- **Pay Button:** Finalizes the order.

## 6. Account Screen:

- **User Greeting:** Displays a greeting (e.g., "Hello, asif").
- **Navigation Buttons:** Options for "Your Orders," "Buy Again," "Your Account," and "Your Lists."
- **Orders Section:** Lists recent orders with placeholders for images and a "See All" link.
- **Keep Shopping For:** Displays recently viewed items with placeholders for images.
- **Your Lists:** Shows saved lists with placeholders for images.

## Output

wireframes of the Screens in order:

### . LOGIN SCREEN:

- Email and password fields with a "Login" button and a "Sign Up" link for new users.

A login screen for an app named Denix. The screen is white with a black border. At the top, the text "Welcome to Denix" is centered in a black, sans-serif font. Below this, there are two input fields. The first is labeled "Enter email" and the second is labeled "Enter password". Both labels are in a small, black, sans-serif font. Below the input fields is a rounded rectangular button with the text "Login" in a black, sans-serif font. At the bottom, there is a link that says "New user ?" followed by a button labeled "Signup". The "Signup" button is a rounded rectangle with a black border and a black, sans-serif font. There is a small blue horizontal line at the bottom right of the screen.

Welcome to Denix
